Leighann,

Janet's out for awhile - and I know you're leaving, so you might want to ask someone in DCD for access to her office so you can put them back in there for her? Let me know if I can help...

Hi Carol and Janet,

I have completed my review of the Code Enforcement file for attorney/client communication. I have tagged each item with a pink sticky with notes on the sticky. It appears that most the file would not be responsive since the majority of the information does not involve a "Toxic Waste Issue" but an abatement issue. I also marked one document with a yellow sticky that jumped out at me that discusses contaminated property.

Please let me know if you have any questions regarding my notes and to whom I should deliver the files to next.

Thanks,

Records managers who may have responsive records to the Sesko request, please note the clarification Ms. Sesko provided today. I sent Ms. Sesko a letter advising her that we would provide any responsive records by August

(No need to respond if you do NOT have any responsive records, as some of you have already - thank you!)

Thank you!

Dear Ms. Sesko:

In order to be sure we're providing the specific records you are interested in, could you please clarify specifically which property you are referring to when you refer to Pennsylvania Avenue? If you have a property address or parcel number, it would be appreciated. If it would be easier to call and speak to me in person, please feel free to do so - my number is below.

Thank you,

Carol
